JOB VACANCY – BUSINESS DEVELOPMENT ENGINEER, TONGA POWER LIMITED HEAD OFFICE

Tonga Power Limited is a public enterprise responsible for the generation, distribution and supply of electricity to consumers in Tonga.

Applicants are invited to apply for the position of **Business Development Engineer** with the Tonga Power Limited Head Office. The Business Development Engineer will report direct to the Strategic Development Manager.

The Business Development Engineer will be responsible for providing engineering support to the Strategic Development Manager to develop and implement the Company's Strategic Plan and Business Development Programs to deliver customer solutions.

The position holder will assist with the development of strategic projects, evaluation of strategic opportunities and business ventures to meet the strategic targets. This includes the development of strategic initiatives to business case level, seek development partner and private sector funding for projects, and liaise with third party project developers while assisting with the management of risk profile of strategic projects.

As a Business Development Engineer, you will:

- Be experienced, desirably more than five years' experience in a similar role, but not essential;
- Possess relevant tertiary qualifications in Electrical Engineering or relevant discipline;
- Have knowledge of the electricity supply industry, budgeting and financial reporting, project management, commercial modelling and strategy development;
- Be computer literate with excellent attention to detail and;
- Have high levels of initiative, motivation and professionalism.

For further information and a copy of the job description please contact our Human Resources Division on 7720003 or email vacancy@tongapower.to. Please submit your application (a cover letter) in English expressing your interest in the proposed work, enclosing your Resume, certified academic transcripts/copies of certificates, three references and one of them from current work supervisor. An attractive salary will be on offer to the right/successful candidate.

Applications must be submitted by close of business on **Friday, 8 December 2017** to the above email address, or deliver direct to our main office at Nuku'alofa, marked "VACANCY" and addressed to:

Chief Executive Officer
Tonga Power Limited
P.O. Box 429
Nuku'alofa.

Applicants that are considered will be interviewed.

Thank you
Tonga Power Limited
